RE: Employment reference for Jack Griffiths Rico

To whom it may concern,

Jack Griffiths worked with us for three years as a field manager for our youth football tournaments. He was always one of the first people on our list due to his strong work ethic, ability to work as part of a team, and his calm, steady approach even in the most difficult situations. No matter what came up, we knew we could count on him to handle it.

Beyond the work itself, he brought a positive attitude that made him a pleasure to have around. He treated everyone, staff, referees, coaches, and parents, with respect, and helped create an environment that kept things running smoothly. We would be happy to have him back on our team anytime.

Yours sincerely,

Nick Simons
