RE: Employment reference for Jack Griffiths Rico

To whom it may concern,

I am pleased to address you in my capacity as Manager at Ernst & Young to express my full support for Jack Griffiths, who recently completed two internship periods with the SAP BASIS team within our organization.

During his time with us, Jack proved to be exceptionally talented and dedicated. His ability to understand the complexities of SAP BASIS tasks and apply this understanding practically exceeded expectations for someone at this stage of his career.

Jack showed remarkable initiative, taking responsibility for various tasks and completing them with a high degree of professionalism. His ability to work independently, as well as his willingness to collaborate with the team, has been crucial for us in the different assignments he handled.

Additionally, Jack demonstrated excellent interpersonal skills, effectively communicating with colleagues and clients, and contributing to a positive work environment. His proactivity and enthusiasm were evident, leaving a lasting impression on everyone he worked with.

Without a doubt, Jack is a valuable asset to any team, and I am convinced he will continue to succeed in his future professional endeavours. I recommend Jack Griffiths without reservation and am confident he will be an exceptional addition to your organization.

If you need additional information or wish to discuss our assessment of Jack Griffiths in more detail, please do not hesitate to contact me.

Yours sincerely,

Federico Alonso | Manager | Technology Consulting
